Welcome!

The IEEE Intelligent Transportation Systems Society invites you to the 9th Annual International IEEE ITS Conference hosted by the University of Toronto Civil Engineering Department and the IEEE Toronto Section. Come and enjoy a stimulating conference, a vibrant multicultural city, a first rate banquet in the CN tower, and more!

Conference Topics
Travel and Traffic Management, Public Transportation Management, Commercial Vehicle Operations, Advanced Vehicle Safety Systems, ITS Modelling, and much more…

Registration
The deadline for early conference registration to the ITSC 2006 is Tuesday, August 1, 2006. Save yourself CAD $100 per registration ($75 students). Register for your hotel room at the conference hotel via the conference website. Book early while room reservations are still available. The conference rate of CAD $179 at the Marriott Downtown Eaton Centre will be available until August 17, 2006.
